## NZ Cycle Trail

Imagine riding through the cool of the New Zealand bush, dense with fern, dappled with light and where the only sound is the call of native birds loud above the hum of your bike.

Or, imagine a trail that rounds a wide sweeping bend to a view that simply takes your breath away – stunning snow capped peaks mirrored in a deep, still lake.

Journeys such as these exist – they are real examples of what 'Nga Haerenga - The New Zealand Cycle Trail' has on offer. 'Nga Haerenga' means 'the journeys', both in a physical and spiritual sense, which is exactly what you will experience on the New Zealand Cycle Trail.

The Great Rides are the premier rides on the New Zealand Cycle Trail. They are predominantly off-road trails that showcase the very best of New Zealand's landscape, environment, culture and heritage.

So what are you waiting for.... Start planning your cycling holiday now!

## Qualmark

Are you looking for a great experience in New Zealand? Then look out for the Qualmark, New Zealand tourism's official mark of quality.

**What it means for you**  
When a business displays a Qualmark sign it means you can be assured that you will have a great tourism experience. You'll be able to book with confidence knowing that the business operates in an ethical, professional and environmentally sustainable way.

Qualmark star rated accommodation lets you know the quality of a property before you decide to stay the night, whether you're on a budget or looking for some 5 star luxury. Meanwhile all Qualmark Endorsed activities, service and transport providers have been checked to ensure they have the right systems and equipment in place for you to have a safe and happy holiday in New Zealand.

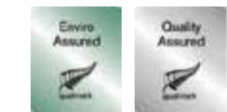

**So how do we know this?**  
Tourism businesses that carry the Qualmark quality logo have chosen to be measured against stringent quality, safety and environment standards by Qualmark New Zealand.

Each business receives onsite evaluations against up to 300 specific criteria, tailored to the type of tourism experience they offer. These evaluations are conducted by Qualmark's independent business experts, who understand the high quality and service standards that New Zealand visitors demand.

Each business that you encounter displaying a Qualmark quality logo has met and is maintaining the highest quality standards, so you can be assured they represent the best tourism experiences on offer in New Zealand.

**Qualmark Enviro Award**  
While all Qualmark accredited businesses display a care for the environment, a large number of New Zealand tourism businesses are specifically recognised for their commitment to the principles of sustainability.
